

**TO CHECK YOUR VISION DAILY...**

**USE ONLY AS INSTRUCTED BY  
YOUR EYE CARE SPECIALIST**

A BRIEF REMINDER: Hold the card 14 inches from your eyes. (Wear your glasses if needed for reading.)

Cover one eye, look at the center dot with the uncovered eye, note any visual distortion, and then repeat the procedure using your other eye.

If the lines look irregular (blurred, wavy, empty or discolored), promptly contact your eye care specialist.
